

Microsoft Dynamics 365 Business Central Turkish Localization

The Turkish localization for Business Central is designed by Intelligent Systems team, and it ensures full compliance with the legal requirements for enterprises operating in Turkey.

The Turkish localization app is developed in accordance with the mandatory regulations about:

- **VAT**
- **Financial Closing**
- **Legal Printouts**
- **Exchange Rate Management Turkish Central Bank**
- **E-Modules.**

The Turkish Localization's features are listed on the next pages.
